Sir:

Reference is made to a telephone call from the Examiner, Mr. Whipkey, indicating that this application is subject to an obviousness-type double patenting rejection with respect to US Patent Nos. 5,699,176 and 5,793,517, which are earlier patents in the continuing chain of this continuation application, and that such rejection could be overcome by the submission of a Terminal Disclaimer so as to place this application in condition for allowance.

Without acquiescing in the propriety of the obviousness-type double patenting rejection as set forth in order to expedite issuance of this application, applicants submit herewith a terminal disclaimer and the appropriate fee therefor.

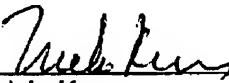

Accordingly, applicants submit that this application should now be condition for allowance.

To the extent necessary, applicants petition for an extension of time under 37 CFR 1.136. Please charge any shortage in the fees due in connection with the filing

of this paper, including extension of time fees, to the deposit account of Antonelli, Terry, Stout & Kraus, LLP, Deposit Account No. 01-2135 (Case: 500.32820CC7), and please credit any excess fees to such deposit account.

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS, LLP
